Swimming: Please do not swim within 75 feet of any of the docks. Do not jump or dive off of the docks. You may wade along the shoreline at your own risk provided you stay 75' way from the bridges and dock walkways. Swim at your own risk, there are no lifeguards on duty and swimming in the lake can be dangerous.

Minors: You are responsible for monitoring your children at all times. It is a good safety practice to have your children wear a lifejackets when in the water, on the beach and on the dock. An adult Member must accompany and supervise all minors at all times.

Guests: You must be onsite with your guests at all times. You are responsible for your guests. You are allowed to have only as many guests as your boat is rated to hold. If you wish to have more guests please obtain permission from the marina management at least 2 days prior. We reserve the right to ban any individual from the marina.

Pets: Dogs must be on a leash under your control at all times. Do not leave pets unattended. You are responsible for cleaning up after your dog. If you bring your dog to the marina please bring the necessary items to clean up after your dog and all waste must be put in the dumpster. Management may ban any pet from the marina.

Boat Ramp: Launching and retrieving of boats is restricted to Members' boats only. The use of the boat ramp and beach launching may be restricted at times due to the lake level, parking availability and time of year. Vehicles with trailers must park in the designated trailer area and may not park in those areas near the docks used for vehicle only parking.

Trailers: Trailer storage is not included as part of your slip rental. Do not leave a trailer on the property without management's prior permission.

Parking: Please park so that you do not block the roadways, driveways, stairs, dock bridges or in such a manner that wastes parking spaces. Your vehicle is subject to being towed at your expense if you park in such a manner as to create a problem.

Vehicles may not be left at the property for more than 24 hours unless you are using your boat on the lake.

Trash: Please carry all of your trash to the dumpsters located on shore. The dumpsters are provided for the disposal of the paper, cardboard, plastic and food trash that you generate while out boating. Trash and cigarette butts may not be thrown into the water, on the beach or left on the dock.

Please do not dispose of food, fast food bags, cans, bottles and cigarette butts in the restroom trash cans.

Batteries, oil, tires and appliances may not be put in the dumpsters and are your responsibility to properly recycle or dispose of offsite.

Extension Cords: All extension cords and shore power cords must be of the 3-prong type and UL approved. Cords that are homemade or damaged may not be used. Cords should be run under the deck so as not to pose a trip hazard. Cords must be kept out of the water at all times. Cords should be unplugged when not in use. Any cord plugged into a marina receptacle and running into your boat authorizes, but there is no obligation to do so, marina staff to board and inspect your boat.

Walkways: Bows, pulpits and anchors may not over hang the walkways.

Misc. Storage: All personal items such as hoses, tubes, biminis, coolers and carts must be stored on your boat or in your slip. Please do not leave items on the walkways or slip fingers.
